THIRTEENTH YEAR

UNIVERSITY WON STATE TRACK MEET

Many Close and Exciting Races; Two State Records Are Smashed

U. of U. 52 points
A. C. 44 points
B. Y. U. 28 points
B. Y. C. 3 points

More than 1500 excited fans witnessed the victory of the University of Utah athletes in the state collegiate track meet here Saturday. The Crimson team piled up a total of 52 points against 44 for the Agricultural College, which finished second. The Brigham Young University took third place with 28 points to their credit and the B. Y. C. was fourth with 3.

The weather was ideal for track and field work and the college campus was in prime condition. Two new state records were hung up, one by Creed Haymond in the 220 yard dash, which he won in the fast time of 21 4-5, equalling the world's record, and one by Snow of the Aggies in the discus throw. Snow bettered the former state record held by Brokmeyer by more than three feet. He slung the discus 120 feet.

Haymond in 100 Also
Creed Haymond, the speedy Utah sprinter, won back his laurels in the century by defeating Hugh Peterson of the Aggies in state record time, 10 seconds flat. Cooper of the B. Y. U. team finished third. The 100 yard race furnished one of the most exciting finishes ever witnessed in the state, and Haymond was compelled to exert himself to the utmost to win by a narrow margin from the fleet Aggie man who defeated Haymond last Saturday.

Hales of the B. Y. U. distinguished himself by winning the mile run from Anderson of the Aggie aggregation, who was expected to land the event easily. Berry, Utah, finished third, a few feet behind Anderson. The time was 4:46 2-5.

Battle in 440
The 440 yard run was a grueling affair and furnished plenty of excitement. Eyre of the B. Y. U. capturing first place, with Teasdale, Utah, second. The two men crossed the tape with less than three inches between them. Romney, Utah, won third place. The time was 53 seconds.

The Utah team, composed of Haymond, Romney, Hopkins and Collier, won the half mile relay, with the Aggie team second. The time was 1:34.

In order to credit the record to Creed Haymond in the 220 yard the judges measured the course and found it to be more than six inches over the 220 yard mark.

Summary:
120 yard hurdles—Van Pelt, U. first; Parry, A. second; Brossard, A. third. Time, 16:2.

ABLE SPEAKERS FOR U. A. C. COMMENCEMENT

President John A. Widtsoe Has Engaged President Lund to Give Baccalaureate Sermon

President Anthon H. Lund, who was the father of the bill which was instrumental in the founding of the Utah Agricultural College will deliver the Baccalaureate sermon at the 1915 commencement exercises of the college.

Prof. E. J. MacEwan of Kalamazoo, Michigan, will give the address to the graduates. Prof. MacEwan was professor of English at the Utah Agricultural College for ten years and during that time won an enviable reputation as a teacher and scholar. Especially those who know him are looking forward with keen pleasure to his coming. He is now professor of English at Kalamazoo College.

In behalf of the trustees of the situation, the Hon. John Dern, of Salt Lake City will address the graduates Tuesday morning, June 8.

The commencement exercises this year will be unusually attractive inasmuch as they will be held in connection with the big Centennial celebration which begins June 4 and ends June 8. On June 4 the College Komers will entertain in the Smart gymnasium. The Historical Pageant will start at 11 a. m. Saturday morning and will be concluded in the afternoon. At 8 p. m. the various classes will hold reunions. At 11 a. m. Sunday morning, June 6, President Lund will give the Baccalaureate sermon. The afternoon and evening will be devoted to sacred concerts. Monday morning has been set apart for the Senior program which commences at 10 a. m. Alumni programs will be given in the afternoon and evening and will depict with picture, story, and song the interesting phase of the college history. Tuesday, June 8, at 10 a. m. in the college chapel the regular commencement exercises will be held and the main addresses will be given by Prof. MacEwan and Hon. John Dern. The Alumni banquet will be given in the afternoon at 5 p. m. and the Alumni ball will commence at 8 p. m. and its ending will mark the close of the festivities.

Louis E. Stoddard, who played on the American International polo team two years ago, was married in the chantry of St. Thomas' Church, in New York city, to Miss Mollie Andrews, a daughter of the late Mr. and Mrs. Samuel Andrews of Cleveland, O. Only relatives were present for the ceremony, which was performed by the Rev. Ernest M. Stigma, rector of the church. The accompanying photograph was taken as the happy couple was leaving the church after the ceremony.

B. Y. NORMAL GRADUATES GET POSITIONS

Will Enter Schools in Cache and Box Elder Counties

There is certainly a demand for the Normal graduates of the Brigham Young College. The graduates from the six year course, twenty in number, are most of them definitely placed for next year. Besides this a big demand is being made for all of the Normal students especially those who have had training. Most of them are going either to the High Schools, to act as principals or teachers in Cache and Box Elder counties. David G. Hyde teaches in the Afton High School; Barbara Pace, in the Payson High School; Willis Smith, in the Oneda Academy; Paul Nelson, Snowflake Academy; Mary Carlisle, Florence Carlisle, Karl Wood, in the B. Y. College; Clyde Daines, Clarence Hurren, J. T. Wilson, principals of schools in Cache county; Lucille Burgoyne, Pearl Johnson, Logan City schools; Hugh Davis, Horace Ensign, Harris Van Orden, Joseph Law, Amelia Wright, in Box Elder county; Leonard Roskelley, Lloyd Tolman, in Idaho; Charles Hill, in Kemmer, Wyoming; Yeppa Lund continues his school work in the U. A. C. for degree; Joseph H. Nielsen at the Chicago Law School; Laverne Larsen, David Owen take missions as does Marvella Leishman, (but of a different nature), Sylvan Peterson, and William Richards have not decided what to do yet, missions, too, most probable. In spite of very flat tiring and tempting offers a large number of the fifth year class is expecting to return and finish the course, preparing for bigger and better offers which will come another year.

Mrs. David Drysdale received word yesterday of the safe arrival of a baby boy, born last Saturday at the home of Mr. and Mrs. Amos Merrill of Provo. Mrs. Merrill and the baby were doing nicely.

OPPORTUNITY FOR ALL TO SAVE MONEY

Postal Savings System Provides Means for Saving Earnings by Old or Young

Every person in the United States ten years old or over may open an account in a postal savings bank after July 1, according to an instructive leaflet on the Postal Savings System just issued by Postmaster General Burleson. This important extension of the service will be made possible by permitting persons living in communities so sparsely settled as not to justify the designation of their local post offices as regular postal savings banks to open accounts by mail.

Governor Dockery, Third Assistant Postmaster General, who has direct supervision of postal savings was so impressed by appeals from all over the country, to open postal savings accounts by mail that he took up the task some weeks ago of working out a feasible and safe method for meeting a demand well illustrated in a letter from a Saline County Missourian, who resides many miles from a postal savings bank.

"Having a few hundred dollars saved from fifty years of hard and assiduous labor and skimping economy on the part of my wife and myself, we concluded to deposit it in the Postal Savings Bank of— We wrote to the postmaster at that place and received reply to the effect that none but patrons of that office could deposit in that office which is very disappointing news to us. Our little farm is not large enough to support us and land is so high that it is impossible for us to buy more with what little we have saved and we are so old that we can't labor much now and we would be so glad to lay by at least enough to put us away in decency."

Under the plan adopted by the Postmaster General for opening accounts by mail an intending depositor, residing where there is no regularly designated postal savings bank, will apply to his local postmaster who will see that necessary identification data is prepared and forwarded to a nearby post office authorized to accept deposits. The intending depositor will then be given permission to forward his first and subsequent deposits by money order or registered mail direct to the postmaster at the banking point for which receipts or certificates will be issued. He may withdraw all or any part of his postal savings by mail and on demand together with any interest that may be due him.

The new leaflet points out that any person ten years old or over may open an account in his or her own name; that an account may be opened by a married woman free from any control or interference by her husband; that post office officials are forbidden to disclose to any person except the depositor, the amount of any deposits; that withdrawals may be made without previous notice; and that the government guarantees to repay all deposits on demand with accrued interest.

The leaflet will soon be printed in twenty-two foreign languages for distribution through local post offices. The foreign born citizen has taken very kindly to postal savings and literature in his own language will be of great assistance to him. In a recent article, Postmaster General Burleson commented on the foreign born depositor as follows:

"Upwards of 500,000 depositors now have accounts in the Postal Savings System and they represent every nationality on the earth. They also represent almost every known occupation—professional men, theatrical people, mechanics, laborers, fishermen, pack peddlers, etc. But the majority are wage earners and of this class the foreign born largely predominate. A census of depositors taken by the Post Office Department shows that approximately 40 per cent (200,000) of the depositors are foreign born citizens and they own more than 50 per cent of the deposits—splendid evidence of the confidence of our newly acquired citizens in the ability and good faith of their adopted country to fulfill its obligations.

"There is another reason which led immigrants, unfamiliar with our language and business methods, to turn

ARRANGEMENT FINALLY MADE FOR CONCERT

Miss Gates to Be in Logan Friday, May 28. Review of Concert at Waldorf Astoria

Final arrangements have been made for the Lucy Gates concert in Logan. She arrived home last Saturday evening and will give her first Utah concert in Salt Lake City, Wednesday evening, May 26. She comes to Logan the following Friday, May 28 and will give a concert in the Tabernacle on that date. She promises a varied and interesting program and writes home that she has some beautiful new songs. There will also be interspersed some of the old favorites that every one loves so well.

Those who are interested in her work the past winter may be interested to read the following from America's leading musical journal, "Musical America," under date of December 12, 1914:

PROMINENT SINGERS AT RUBINSTEIN CLUB CONCERT

Lucy Gates and Edoardo Ferrari-Fontana Soloists at Waldorf Astoria Affair

"The season's first concert of the Rubinstein Club which took place in the ball room of the Waldorf Astoria last Tuesday night was distinguished among other things by the participation as soloists of Edoardo Ferrari Fontana, the Metropolitan tenor, and Lucy Gates, the young American coloratura soprano. A brilliant audience applauded their singing which was in all respects delightful.

"In the 'Lakme' Bell Song and a set of songs by Harriet Ware, MacDowell, Roger and Alabieff, Miss Gates proved herself one of the most gifted and finished coloratura sopranos heard in this city in a number of years. Her voice in itself is of enchanting silvery timbre and crystalline purity and her florid execution is characterized by a coruscating brilliance, agility and absence of effort altogether remarkable. Her range is extensive and the highest tones were attained with invariable surety and perfect intonation. But Miss Gates is more than a finished exponent coloratura; she is an artist to her finger tips in all that concerns elegance of delivery, thoroughness of understanding and intellectual grasp. At the hands of a singer of this type even those who generally take little aesthetic pleasure in florid music find an unwonted enjoyment in it. In songs calling for a simpler and more emotional treatment Miss Gates was equally satisfying. Mention must be made of her perfect enunciation and particularly her absolute command of the French language in which she has not had occasion to sing in more than eight years."

MARRIAGE LICENSE

Marriage licenses have been issued to the following:

Joseph Smith Redford, Logan; Anna Huller, Providence.

A. Brossard, Logan and Laura Rose, Salt Lake City.

Fred Buras, East Liverpool, Ohio;

Lucia Edwards, Placerville, California.

to the government to safeguard their humble savings and that reason is the disastrous experiences many of them have had by the failures of bogus "private banks" offered by swindlers of their own tongue who have preyed mercilessly upon their loneliness and credulity."

Postal savings receipts have broken all records the past year. During the eight months prior to April 1 there was a net gain in deposits of \$19,000,000, as against a gain of \$8,000,000 for the same months the year before. Thousands of new accounts have been opened and the millions made up largely of hidden savings have been turned back into the channels of trade just at a time when there was pressing demand for every dollar.
